50/50 RAFFLE

Our beloved Miss Amanda has been diagnosed with Stage 3 breast cancer. For decades she has poured her heart into every dancer who walked through our doors — shaping not just dancers, but confident, resilient humans.

Now it's our turn. Every donation, every share, every kind word matters. Together we can help ease her burden so she can focus on healing.

This year's 50/50 raffle proceeds go directly toward Miss Amanda's treatment. Half goes to a lucky winner — the other half goes to Miss Amanda and her family. Because once you're part of this studio, you're family — and family shows up.

THANK YOU

A heartfelt thank you to the technical crew of the Troy High School Auditorium, led by Gino Minchella and Greg Hodorek. Your skill and tireless work behind the scenes make the magic possible on stage.

A warm and sincere thank you to all of our Parent Volunteers — for your time, your energy, and your unwavering support both during recital and throughout the entire year. None of this would be possible without you.
